[se)esteina]

Desiring the creation of a point
of absence through which the
production of desire can create
the virtual object of beauty
attracting further desire production

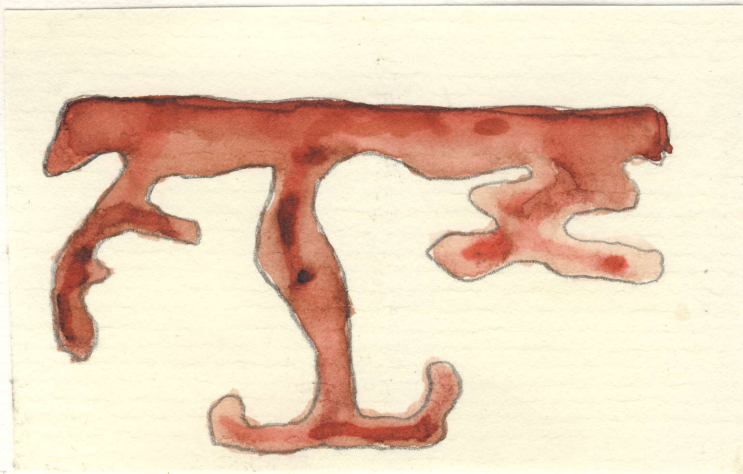

[bradaii]

to stand firmly among the
weak (lit. 'those [that are] about
to perish')

[расположен]

to speak (write, dis miss) in full
apprehension of the suffering hidden
by the term of common suffering

[dunveii]

the revelation of the ego
as that what is where it is
not

[Saman Saiti]

making love to the death
inside of you

none of these files is real. reality
is lost forever. SV @ nkDec 1/1/13 21:30
